

# ardocho gift catalogue

 This festive season why not give a gift that gives twice. When you purchase a gift from the Ardoch Gift Catalogue your donation will be helping a young person to reach their potential. There are many options and you can also choose to receive a gift card that represents your purchase. All gift items are tax deductible and a receipt will be forwarded to you.

## INFANT CARE PACKAGE - \$60.00

Your donation of \$60 makes sure a baby whose family is experiencing disadvantage has nappies, formula, nappy cream, baby wipes and powder for a week.

## TUTOR A CHILD - \$90.00

For children struggling in school, one on one tutoring can really increase their ability to learn. \$90 helps provide one child support with 3 sessions of tutoring during school hours.

## BREAKFAST FOR A YEAR!

- \$200.00

A single donation of two hundred dollars is enough for Ardoch to feed one school child through our Breakfast Club program for a year.

## SCHOOL CAMP FOR 4 KIDS - \$1,000.00

Activities like school camps teach children life skills, social skills and give them a sense of belonging to their school community – all vital to a positive experience at school. This donation allows 4 children who may otherwise have missed out attend their school camp.

## MET TICKETS - \$14.00

This is the weekly cost of a student Met ticket to get to school on the train, tram or bus. For a child whose family is experiencing financial hardship small things can be difficult to afford.

## NEW SCHOOL SHOES FOR 2 KIDS! - \$100.00

This gift lets you give 2 children new school shoes when they need them. For a family experiencing hardship, fast growing feet can be hard to fit into the family budget.

## GROCERIES FOR A FAMILY OF FOUR - \$150.00

Without a full tummy, kids can't learn. When things get tough \$150 can mean a family of four have their essential grocery list bought for the week.

## BACK TO SCHOOL PACK - \$50.00

Just \$50 provides a primary school child with a brand new backpack full of everything they need to start a year of learning.

## TOILETRIES - \$25.00

It's hard to imagine not having soap or a toothbrush, but for some the experience is all too real. This \$25 gift provides a basic toiletry kit for a young person experiencing homelessness.

## SWIMMING LESSONS FOR 10 KIDS! - \$500.00

Being able to participate in school activities such as swimming lessons is vital for children's learning, but also costly. You can give 10 kids the opportunity to join in their class swimming lessons during the school term.

You can order on line at [www.ardoch.asn.au](http://www.ardoch.asn.au)
